Director's Notes

Welcome to the sixth annual production of *The Master's Plan*. During our time together, you will experience the impact of Jesus Christ on the unique personalities of Nicodemus, Mary Magdalene, and Peter. Through their eyes, the story of God's plan for man will be presented from beginning to end. You will experience the Ministry and Mission of Jesus Christ in the world. This dramatic musical production is brought to you by the Music and Fine Arts Ministry of West End Assembly of God.

We are particularly pleased to have special guests in our audience for whom tickets have been provided by area merchants and citizens. The sponsorship program is a community-wide effort to provide all Richmonders the opportunity to see and enjoy this Easter tradition. Our heart-felt appreciation is extended to those generous donors whose names you will find listed in our program.

Our hope is that *The Master's Plan* will enrich your life and bring a new and dynamic meaning to Easter in your home and family this year. Your attendance here also helps us to support the Mission God has given us to go into Yugoslavia, Tanzania, Dominica, Morocco, and Belize with the message of Jesus Christ. Again, welcome, and thanks for sharing with us...*The Master's Plan...A New Beginning*.
